Quality Commitment

The trainee must be covered at least by an accident insurance (for damages caused to the trainee at the workplace) and by a liability insurance at work (for damages caused by the trainee at the workplace). The receiving organization /enterprise commit to grant the trainee a minimum insurance coverage, unless he or she is insured by the sending institution or him/her/self.

Charles University must give full academic recognition for a traineeship which is an integral part of the curriculum by using ECTS credits or an equivalent system. In the particular case of a voluntary traineeship, Charles University shall record this period at least in the traineeship certificate or, in the case of recent graduates, will provide the trainees with the EUROPASS Mobility Document.

Trainees may be awarded Erasmus+ EU grant to help them cover the travel and subsistence costs incurred in connection with their traineeship abroad.

Each Erasmus+ trainee will be given an Erasmus+ Student Charter by their sending university after their selection. The Charter highlights the rights and obligations of students participating in Erasmus+ programme. It informs trainees about what they are entitled to and what is expected of them during their traineeship.

In particular, the Erasmus+ Charter outlines the basic entitlements of the Erasmus+ students, such as free tuition and full recognition of traineeship abroad. The Charter also specifies the main obligations of the Erasmus+ students, providing them with a concise idea of their duties with regard to both - their sending and receiving higher education institutions / enterprise.

Further detailed information on insurance, appropriate equipment, financial support and contribution will be specified by Learning Agreement for Traineeship prior to the mobility. The LA will be approved by the trainee (student), Charles University and the receiving institution/ enterprise.

Traineeship Certificate should be provided within a maximum of 5 weeks after the traineeship to the trainee and to Charles University.

This agreement was discussed at the session of the Council of the Vysočina Region on 8th August 2017 and approved by a resolution Nr 1400/25/2017/RK.
