

Jihlava, 7 July 2023

Dear Mr Fedriga,

I am contacting you as the President of the Vysočina Region in the Czech Republic, a position I have held since 2020. I know that a partnership agreement previously existed between our regions and that you also visited the Vysočina Region in your capacity as President of the Friuli Venezia Giulia Region in 2018.

I am a great fan of Italy and love to visit your country in my free time. I have recently found out from a town in our region, Pelhřimov, that there are still some informal contacts between people from Pelhřimov and Trieste. Therefore, I would like to take advantage of the fact that a relationship once existed between our regions, and I am interested in renewing it.

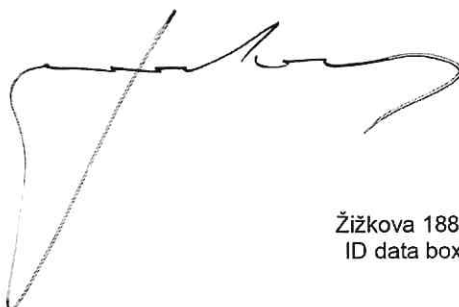

Our current Regional Council cancelled a partnership with a region in Belarus a few years ago and we are looking for a new partner region and new international contacts.

I would appreciate it if you accepted my invitation to visit the Vysočina Region once again. I would like to invite you to the Biathlon World Championships in Nové Město na Moravě, to be held from 7 to 18 February 2024. It will be the biggest sporting event in our region and athletes from your region will certainly be participating. Of course, we would like to welcome you to visit on an earlier date if that suits you. I would be happy to show you our UNESCO sites, but especially the competences that our region has in various fields such as social services, health, secondary education and other public services.

The person who will be responsible for the practical aspects of our communication is Mr Jan Skála, Foreign Relations Officer of the Vysočina Region, e-mail skala.j@kr-vysocina.cz, telephone 00 420 725 650 265.

Dear Mr Fedriga, I look forward to your reply.

Yours sincerely,

Mr Massimiliano FEDRIGA
